**CONSENT MOTION FOR FURTHER

The parties are actively engaged in continued negotiations for settlement of this matter. Petitioner Torpack Limited (“Petitioner”) hereby requests that the Board further suspend this proceeding for sixty (60) days pursuant to the schedule below in order to allow the parties to resolve this cancellation. The parties have a written settlement agreement, which both parties have now signed. Included with that settlement agreement is a Letter of Consent concerning the registrations of Registrant Maggy London International, Ltd. (“Registrant”) and Petitioner’s Application Serial No. 85/252,881 for MUSE in Class 25. Petitioner is in the process of filing that Letter of Consent, but needs time for it to be considered and approved by the Office. Petitioner therefore submits that there is good cause for a further suspension.
